

SOPHIA GRAIL CIRCLE

Grail Knights Training

A Program of the
Sophia Grail Training

May 14, 2018

The Grail Knights training is open to men and women who feel the call to take up the cross of Christ in the struggle against evil. Based on the higher levels of Valentin Tomberg's Lord's Prayer Course, this program grows out of the Sophia Grail Circle Training. The one-day Grail Knights training, Monday, May 14, 9:30 am–9:30 pm, will follow the Grail Facilitators training. Unpublished, untranslated notes of the higher levels of Valentin Tomberg's Lord's Prayer Course form the content of the Grail Knights training. As preparation for this training, it is recommended to read Valentin Tomberg's lectures on the *Four Sacrifices of Christ and the Reappearance of Christ in the Etheric*, particularly focusing upon the first three sacrifices (*Christ and Sophia*, appendix, lectures I-4, pages 358-381). Registration for the Grail Knights training is essential; those participants in the Sophia Grail training who feel the calling to also attend the one-day Grail Knights training should clearly indicate this when registering.
