Karen Rivers PhD
and pianist Marcia Burchard

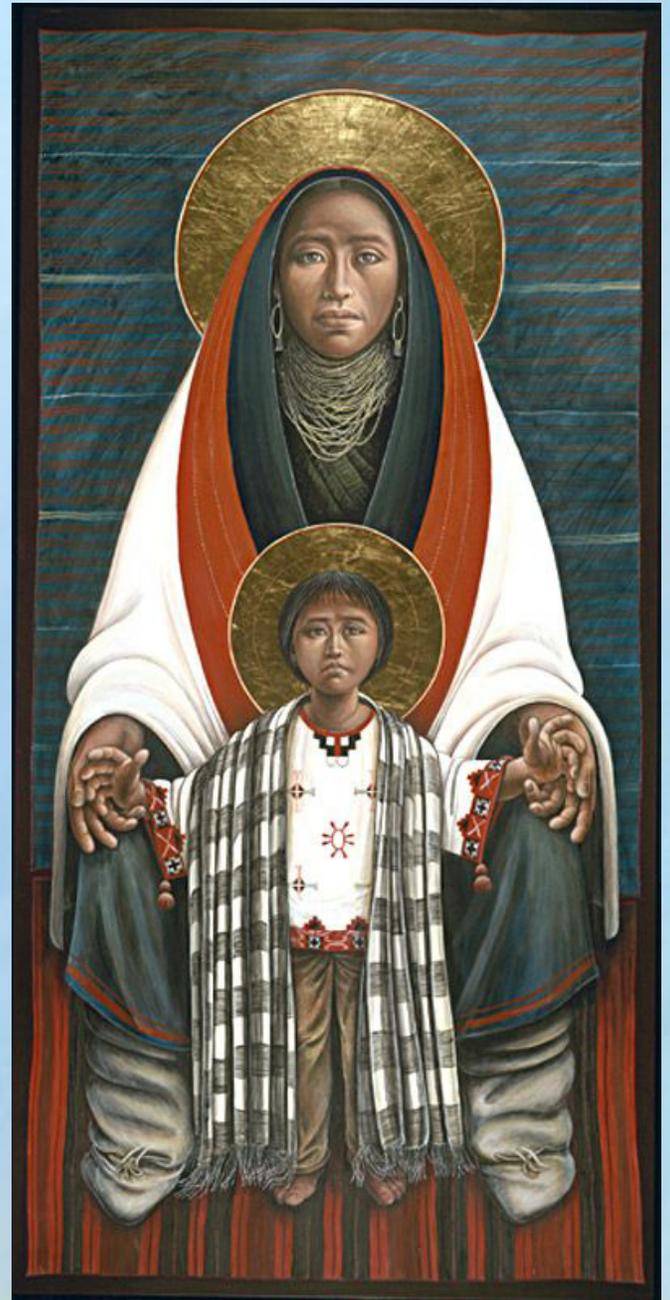

Following the birth of a White Buffalo Calf in 1994, the 19th Generation Keeper of the White Buffalo Calf Pipe for the Lakota, Dakota and Nakota Nations—Arvol Looking Horse, was directed to honor the Four Directions with ceremony on the Summer Solstice.

According to Lakota Star Knowledge, the birth of “Miracle,” a female white buffalo, signaled a time of Earth changes and the coming of The Mending of the Hoop of all Nations. The Summer Solstice is said to be a powerful time to pray for peace and harmony among all Living Beings. Grandmother Earth’s gifts; the air, water, plant, animal, and rock nations must be allowed to heal if we are to live in harmony with Her.

“We have been warned from ancient prophecies of these times we live in today, but have also been given a very important message about a solution to turn these terrible times.

To understand the depth of this message you must recognize the importance of Sacred Sites and realize the interconnectedness of what is happening today, in reflection of the continued massacres that are occurring on other lands and our own Americas.

I ask you to join me on this endeavor. Our vision is for the peoples of all continents, regardless of their beliefs in the Creator, to come together as one at their Sacred Sites to pray and meditate and commune with one another, thus promoting an energy shift to heal our Mother Earth and achieve a universal consciousness toward attaining Peace.” - CHIEF ARVOL LOOKING HORSE

Honoring the Sacred Hoop of Life - All Faiths, All Nations, One Prayer

The program will begin with dinner on Friday, September 14, followed by a Peace Service. Saturday - Monday will be filled with presentations by First Nation Elders and Karen Rivers, Sacred Dance, Sacred Drama, Singing, outings to special sites, evening Sacred Circle Ceremony and The Liturgy to the Earth, followed by star gazing. The program will end Monday evening. Departure will be after breakfast on Tuesday morning, Sept. 18.

“To us, as caretakers of the heart of Mother Earth, falls the responsibility of turning back the powers of destruction. We are the ones who must decide.

Each of us alone can make this crucial choice, to walk in honor or to dishonor our relatives. On our decision depends the fate of the entire World.

Each of us is put here in this time and this place to personally decide the future of humankind. Did you think the Creator would create unnecessary people in a time of such terrible danger? Know that you yourself are essential to this world. Understand both the blessing and the burden of that. You yourself are desperately needed to save the soul of this world. Did you think you were put here for something less? In a Sacred Hoop of Life, there is no beginning and no ending.” — CHIEF ARVOL LOOKING HORSE, *Keeper of the White Buffalo Calf Pipe*

CHIEF ARVOL LOOKING HORSE, *Keeper of the White Buffalo Calf Pipe*: It has become Chief Looking Horse’s personal commitment as the “Keeper of the Sacred Bundle” to assist in the fulfillment of the Mending of the Hoop of all Nations. Besides his work with his own community, meeting with global and spiritual leaders around the world and speaking and offering prayers at Universities and environmental symposiums, (including the United Nations); World Peace and Prayer Day was envisioned and brought forth by Chief Looking Horse as a day to join worldwide communities and people of all races, ages, genders, and faiths, who share concern for the welfare of the Earth and humanity. This vision has already made tremendous contributions to the progress of Earth Awareness and World Peace.

KAREN RIVERS, Ph.D, author of *Love and the Evolution of Consciousness: a Study of the Transformation of the Human Soul, the Double, and the Spirit*, together with Robert Powell, co-founded the Sophia Foundation where she teaches and co-leads pilgrimages to sacred sites around the world. In 1996 Karen founded the Rosamira Circle, “the Rose of Peace”, which seeks to awaken within children and adults an understanding and respect for all faith traditions, toward the realization of world peace. Karen also works as Director of the New Chartres Academy, as a faculty member of the Wisdom School of Graduate Studies. For further information see: www.karenrivers.info

MARCIA BURCHARD, pianist/composer, has worked with the Sophia Foundation since 1998, providing piano accompaniment for Choreocosmos workshops as well as original compositions, including music for the Chrysalis Productions sacred dramas *Parsifal* and *The Mystery of Love*, and choral settings of the Sophia Foundation *Prayer Sequence* and *The Beatitudes*.
