International Choreocosmos Week: Eighteenth Graduation
A one week experiential course—all are welcome—and also graduation of
Choreocosmos students—

Musical accompaniment by concert pianist Fabio Berellini

“Christ Jesus inaugurated an evolution in human nature, based on the retention of the full consciousness of the ‘I’. He inaugurated the initiation of the ‘I’... everything brought into the world through the Christ Event for this ‘I’, can enter also into all the other members of man’s being ... the nine principles of human nature, and we are shown how the ‘I’ is constituted when it becomes ‘Christ-filled’ as regards the different principles of man’s being, and blesses them... the Gospel of Matthew shows in a grand and majestic way how the influence of Christ works in the ninefold human nature in the present, and then how it will work in the near future.” (Rudolf Steiner, September 9, 1910)

The nine beatitudes are the seed for positive human karma, they represent nine levels of sanctification of the spirit-permeated human being of the future.

In his last lecture, Rudolf Steiner indicated that a world crisis was upon us. As we have seen from current events, humanity is increasingly presented with a wide range of issues of moral concern—for example, with regard to our health and freedom, as well as the well-being of Mother Earth. As the tension seems to be mounting, it becomes increasingly important that we come to understand the spiritual reality behind this, and through this awakening to equip ourselves to be guided through it. This world crisis is of such magnitude that humanity cannot, of its own accord, resolve it. We need the help of the spiritual world. The process of coming to know the guiding spiritual beings who work into world evolution is complex and far-reaching. In this workshop we will have the possibility of coming into a resonance with higher spiritual beings as we dance cosmic dances to create an etheric temple here on earth into which they can work.

The arrangement with three languages (English, German, Italian) is a step toward bridging cultures in a cosmopolitan way. The language of Cosmic Dance is universal—expressed through eurhythmic movement and gesture (the Greek word Eurythmy signifies “harmonious movement”)—a cosmic language.

Live Music uplifting and healing mind and body

Note: Please bring suitable, light, soft-soled shoes if you are participating in the Eurythmy/Cosmic Dance, or Eurythmy shoes if you already have them.

Choreocosmos — from the Greek meaning cosmic dance:

- Comprises dancing the patterns of the starry heavens and also movement to sacred texts, prayers, and liturgies
- Derives from the cosmic aspects of eurythmy, an art form introduced to the world by Rudolf Steiner during the first quarter of the twentieth century, bringing to expression—through movement and gesture—the invisible life forces of the cosmos and nature
- Awakens healing rhythms and harmonies through the gestures and forms of eurhythm
- Attunes participants to the cosmic dimension of Divine Love and Divine Wisdom, offering a path toward spiritual awakening and cultivating an awareness of the weaving together of the holy substance of Love and the divine essence of Wisdom foundational to all creation

In eurhythm we are renewing the primeval temple dance of the Mysteries, mirroring the dance of the stars...of that which was spoken...from heaven down to human beings. One must once again discover...the essence of spiritual knowledge. ~Rudolf Steiner

Located in the Trentino Alps, about ½ hour south–east of Trient/Trento, the Casa di Salute Raphael is a spa hotel which is responsible for the medicinal application of the famous Levico water spoken of by Rudolf Steiner as being imbued with cosmic forces. The medical doctors running the hotel work on the basis of Rudolf Steiner’s indications, and therapies include eurhythm, massage, bathing in the Levico water, etc. The hotel is in a beautiful location and has a large hall suitable for cosmic dance.

After arriving at Casa di Salute on Sunday, 4 August, dinner will be at 7:00 PM, followed by introductions and an outline/overview of the program for the week. Departure after breakfast on the morning of Friday, 9 August 2019.
