At His death the Christ-Being poured Himself out into the spiritual Earth-sphere, so that humankind may become more and more able to participate in that which, proceeding from the Mystery of Golgotha, can pour forth spiritual forces into the souls and hearts of all human beings.

— R. Steiner

The descent of the Christ being was made possible by the sacrifices of an archangelic being, who had in past earthly history already effaced himself three times before the Christ in such a way that humanity was enabled to share in the greatest blessings. Because this archangel had devotedly sacrificed himself three times in the past, and had then descended into the angelic hierarchy, the greatest dangers resulting from the fall of humanity could be averted for humankind. — V. Tomberg

There were, so to speak, three Archangel-lives in the spiritual world, and the Being who lived those lives was the same as he who was later incarnated as man and is described in the Gospel of St. Luke as the Jesus-child. Three times had this Angelic being, who later sacrificed himself as Man, offered himself for permeation by the Christ-Impulse. As in Christ Jesus we have a Man permeated with the Christ-Impulse, so it may be said that three times previously we have an Angel permeated with that Impulse. And as that which was accomplished by the Mystery of Golgotha streamed forth into the spiritual atmosphere of the Earth, so did that which was brought about by the first three events pour into the Earth from out the Cosmos. — R. Steiner

Why could Christ do more for the destiny of humanity when he was in union with Jesus than without that unity? What is the special relationship between the Archangel Jesus and humankind?

CHOREOCOSMOS, the school of Cosmic and Sacred Dance, was founded by Robert Powell, PhD, and co-founder of the Sophia Foundation, with the intention of aligning one's self harmoniously with the spiritual-cosmic world and to celebrate the relationship of the human being with the cosmos and the earth. For biographical information about Robert Powell and books he has authored see www.sophiafoundation.org.

Karen Rivers, Ph.D offers courses in Human Consciousness and the deepening of one's spiritual life. She is author of *Love and the Evolution of Consciousness: a Study on the Transformation of the Human Soul, Double, and Spirit*. She serves on the faculty of Wisdom School of Graduate Studies as the Director of the New Chartres Academy dedicated to re-establishing the inherent harmony of each human being with the cosmos, with the Earth, and with the deepest core of one's being. Karen, with Robert Powell, co-founded the Sophia Foundation; she founded Chrysalis Productions, a community theater company for adults and children; and founded the Rosamira Circle, dedicated to the unity of all religions.

Clair Hiles, concert pianist, will accompany sacred dance, singing, and the Sophia Grail Celebrations. Following her musical studies at The Guildhall School of Music and Drama in London, Clair trained as a Music Therapist and Sound Healer, exploring the therapeutic nature of sound and vibrational healing. For the last two years she has studied with the maestro Seymour Bernstein in New York. Clair plays with the inspiration to open and elevate our heart forces and enhance the expressions and vibrations of the spiritual world. Her playing is exquisite.
