

ASSISI 2020

9-16 August 2020

**“Oasi Sacro Cuore” (Sacred Heart Oasis) Retreat Centre
Viale Vittorio Emanuele II, 5, Assisi, Italy**

THE MYSTERY OF DIVINE LOVE AND THE DODECAHEDRON THE FOUNDATION STONE OF LOVE & THE DODECAHEDRON OF THE MORAL ETHER

(with Cosmic & Sacred Dance and Sophia Grail Circle)

ONE WEEK WORKSHOP/SEMINAR WITH ROBERT POWELL

**Musical accompaniment by violinist Vitale Cotofana
and later in the week also with pianist Fabio Berellini
English/German – with translation into Italian by Uberta Sebregondi**

This year the workshop/seminar theme is **“Becoming a Grail Bearer, a Connecting Link between the Starry Heavens and the Earth Mother”** with (weather permitting) observation of stars & planets, and also focussing on humanity’s responsibility to Mother Earth.

During this seminar, Robert Powell will present some new research findings, especially relating to the year 2020—a year during which we can not only reconnect with the cosmic and spiritual dimensions of what is taking place in the world at the present time, but also re-establish a spiritual relationship with Mother Earth through the moral ether. This direct interaction between human beings and the Earth Mother, on the one hand, and the beings of the starry heavens on the other hand is intended to help toward finding our true calling as human beings to become Grail Bearers: to serve as a connecting link between Heaven and Earth.

The inspired movements of cosmic and sacred dance allow vital currents of life forces to flow inside and around us. One could consider sacred and cosmic dance as meditation in movement, leading to a connection with the highest aspects of the cosmos manifesting through the planets and the signs of the zodiac, as well as enabling us to connect with the Earth Mother.

Central to this inspiration is the Foundation Stone of Love, the Dodecahedron of the Moral Ether, which is Christ’s gift to humanity at this time, opening up the flow of the moral ether.

Musical accompaniment by violinist Vitale Cotofana will be joined later in the week by pianist Fabio Berellini for the Beethoven music (violin and piano) accompanying the Foundation Stone Meditation.
