

The Power of Gnostic Intuition:

Our Mother, the Lady of Guadalupe,
Mary-Sophia, and the Arcanum of the High Priestess

A five-day workshop with Choreocosmos

June 8 - June 12, 2020

Public lecture Sunday June 7th, 7:00- 8:30 p.m.

Kelly's Barn
1360 Sumac Avenue
Boulder, Colorado

Our Mothers are telling us of things unseen—wonders that are unverifiable to our ordinary sense nature. They are asking us to listen to the voice of the wind, the movement of the stars, and the lamentations of our earthly kingdoms.

Intuition is a force through which we comprehend what lies in the depths of our bones as our "blood memory." Indigenous peoples were united with this force; thus did they find meaning in creation's every expression. This power has been silenced, and as a result we have lost our way.

Our conference will also explore the prophetic significance of four stellar events: Uranus conjunct the Crucifixion, Sun conjunct the cosmic Pentecost, and the two 2020 conjunctions of Saturn (the Holy Virgin).

**Cosmic Dance (Choreocosmos) comprises dancing the patterns of the starry heavens accompanied by music of the great composers. This art form derives from the cosmic aspects of eurythmy, awakening healing rhythms and harmonies through eurythmic gestures and forms. Participants cultivate a path toward spiritual awakening and an awareness of the weaving together of the cosmic dimensions of Love and Wisdom foundational to all creation.*
