

# ASSISI 2024

4-10 August

*“Oasi del Sacro Cuore” (Sacred Heart Oasis) Retreat Centre  
Viale Vittorio Emanuele II, 5, Assisi, Italy*

## **THE WORLD SIGNIFICANCE AND MEANING OF THE FOUNDATION STONE OF LOVE: THE DODECAHEDRON OF THE MORAL ETHER**

*(Sacred Dances of the Four Verses of the Foundation Stone of Love)*

**ONE WEEK WORKSHOP/SEMINAR WITH ROBERT POWELL**

**Musical accompaniment by violinist Vitale Cotofana  
and later in the week also with pianist Fabio Berellini  
English/German – with translation into Italian by Uberta Sebregondi**

Rudolf Steiner’s meditation on the Foundation Stone of Love was presented at Christmastime in 1923. This year we celebrated the 100th anniversary of this event. *Now we can all receive the gift of these profound words and also be given the opportunity to move them, enabling one to connect with this meditation as a living experience.* Robert Powell will lead us through harmonious forms and simple movements, leading to an embodied understanding and experience of the Foundation Stone Meditation. The gestures and forms are such that, while they are learnt together with others in a group, they can be practiced independently at home, bringing this meditation alive within and offering a profound enrichment to one’s daily life *and comprise a path to experience Christ in his Second Coming.* Robert Powell will also present some new research findings, especially relating to the year 2024 —a year during which we can not only reconnect with the cosmic and spiritual dimensions of what is taking place in the world at the present time, but also re-establish a spiritual relationship with Mother Earth through the moral ether. This direct interaction between human beings and the Earth Mother, on the one hand, and with Christ in his Second Coming and with the beings of the starry heavens on the other hand, is intended to help toward finding our true calling as human beings to become Grail Bearers: to serve as a connecting link between Heaven and Earth.

Central to this inspiration is the Foundation Stone of Love, the Dodecahedron of the Moral Ether, which is Christ’s gift to humanity at this time of his Second Coming, opening up the flow of the moral ether enabling us to connect with the Earth Mother.

**Musical accompaniment by violinist Vitale Cotofana will be joined later in the week by concert pianist Fabio Berellini for the Beethoven music (violin and piano) accompanying the Foundation Stone Meditation.**

**Please note that full pension (breakfast, lunch, and dinner) is possible at the seminar location, however, accommodation there is limited. Early registration is advisable.**

**Info and Registration: Uberta Sebregondi, Tel: +39-335-6749935 Email: [usebregondi@gmail.com](mailto:usebregondi@gmail.com)**
