

Honor Thy Father and Thy Mother:

Engaging with our Primal Archetypes

August 28-31, 2025 at Mettabee Farm in
Hillsdale, New York

with

Joel Matthew Park, Lucian Schloss, Phillip
Malone, Sam Guzman

Join us for three days of exploration, as we work with the a variety of spiritual exercises to heal our relationships to both our spiritual heredity above us, and our family heredity behind us.

We will be introducing and working with the Christian Hermeticism of Valentin Tomberg through the Tarot of Marseilles, as well as the Family Constellation Systems developed by Bert Hellinger and the Internal Family Systems of Richard Schwartz.

Our retreat will begin on Thursday afternoon, August 28, with a re-enactment of the second healing miracle of Christ from the Gospel of John—the miracle which fully expresses the act of healing the past. As we explore these spiritual and psychological exercises over the next few days, we will attempt to come to an expression of this second healing miracle in our own time—the time of the Second Coming of Christ—culminating midday on Sunday, August 31.

We will also explore these themes through eurythmy, and enjoy the beautiful grounds of Mettabee Farm. Limited lodging is available on site; participants should bring a packed lunch (food is also available nearby at Hawthorne Valley Farm Store).

A fully detailed schedule will be forthcoming.

The requested fee is \$150, payable to the Sophia Foundation.

Please get in touch with Joel for questions around lodging, price, etc.:
