ROSE OF THE WORLD

Tumbaco (canton Quito) is a rural parish in Ecuador located a 20-minute taxi drive from Quito international airport. Located in the Tumbaco valley, it enjoys a dry and warmer climate than that of Quito, with an average annual temperature of 60°F, thanks to the lower altitude (7726 feet/2355 m.).

The Zen Center (CDI) in Tumbaco is in a quiet location and has a large hall suitable for cosmic dance. Everyone attending this 8-day seminar should plan to arrive at the Zen Center on Sunday, 29 March, in time for dinner at 7:00 PM. Most participants will be staying at the Ilaló Hotel, which is a 10-minute taxi drive from the Zen Center. Those staying at the Ilaló Hotel will receive breakfast there.
